

FOR THAT FAIRY-TALE WEDDING COME TRUE ALL IN ONE LOCATION

Marina Views offers a romantic, elegant setting so perfect that the only décor you need is your love! This furnishes you with a living canvas to design your wedding around. With the glowing lights you can bridal waltz your way to your happily ever after in the open air.

One of the perks of getting married at Marina Views is of course access to the beautiful deck for your ceremony that boasts breathtaking views of the city's picturesque harbour. For couples that fancy making an entrance in style, the venue offers the option of arriving by water. There could be no better way to start the next chapter of your life against the serene blue waters and open surroundings.

If you would like to host drinks after the wedding ceremony our cocktails and large open bar are a must!!

And unbelievable location....add this to our passion for giving you and your guests the very best experience possible, that touch of class, professionalism, romance and sophisticated fun....

THAT'S why every great event happens at Marina Views Function centre on the Harbour.
